Professional Summary

Java Backend Developer with strong knowledge of Core Java, Spring Boot, Spring Security, Spring Data JPA, Hibernate, SQL and RESTful API development. Experienced in building scalable applications using layered architecture, authentication, validation, exception handling and database integration. Backed by three years of professional experience in E-commerce Operations and Freelance WordPress Development.

Technical Skills

Programming Languages: Java, SQL, JavaScript

Backend: Spring Boot, Spring Framework, Spring Data JPA, Hibernate, Spring Security, REST APIs, JWT Authentication

Frontend: Thymeleaf, HTML5, CSS3, Bootstrap

Database: PostgreSQL, MySQL

Tools: Git, GitHub, Maven, Docker, Postman

Core Concepts: OOP, Collections, MVC, DTO Pattern, Bean Validation, Global Exception Handling, Feature-Based Modular Architecture

Projects

EduLead CRM

Live Demo

Tech Stack: Java 25 • Spring Boot 4 • Spring Security • Spring Data JPA • PostgreSQL • Thymeleaf • Bootstrap • Maven • Git

- Developed a Student Admission & Lead Management CRM for educational institutes to manage student leads, counseling sessions, courses, call logs and user accounts.
- Implemented secure authentication and role-based authorization using Spring Security with BCrypt password encryption.
- Built the application using Feature-Based Modular Architecture with Controller, Service, Repository, DTO, Mapper and ViewController layers.
- Designed responsive server-rendered UI using Thymeleaf and Bootstrap with complete CRUD functionality.
- Applied Bean Validation, Global Exception Handling and JPA/Hibernate entity relationships to improve maintainability and code quality.

Experience

E-commerce Executive

2022 – 2026

- Managed e-commerce operations including product catalog management, inventory updates, and website maintenance across multiple organizations.
- Collaborated with business teams to ensure smooth operations and accurate implementation of business requirements.

Freelance WordPress Developer

2024 – Present

Meedmyre.com

- Designed, customized and deployed WordPress websites using Hostinger hosting environment.

Education

Bachelor of Science in Computer Science

University of Mumbai

Graduated: 2025
